

Dear Valued Customers,

As we start the new fiscal year, I would like to take this opportunity to introduce Astral's fast selling security solution for the SMB segment. This is brought to you by our strategic partnership with a leading IT Security Company, Zyxel. Our solutions will help eliminate the security-related pains you may be currently facing in your corporate network. We welcome you to join the rank of many of our satisfied customers by making the decision TODAY to choose Astral Secure Zyxel.
